

2008 Membership Appeal

CHI Centers is celebrating *60 years* of service to our local communities. Over the course of *60 years* the individuals with developmental disabilities whom **CHI Centers** has and continues to serve need your membership support.

The growth in **CHI Centers** during these *60 years* has been made possible because of the cadre of individuals who know the importance of their membership in our agency. Your membership has allowed **CHI Centers** to advocate with our elected public policy officials. During our *60 years* we have increased our services and supports for **CHI Centers'** program participants. We need your membership support to continue with our mission and advocacy. Please meet three of our program participants who are recipients of your support:

Kia

Livingston

Shohreh

They represent a diverse program participant population in a wide range of programs and services at **CHI Centers** today and throughout our *60 years* of service to our community. Please join **CHI Centers** today and make a difference. Thank you for your membership support over a great *60 years*.
